Escape to San Diego

including a Sunset Luau & "Seas the Day"

Thursday - AUGUST 13 (Day 1) Pack your bag and let's celebrate the summer tradition, as we experience the rich Polynesian culture with a *Sunset Luau*. Your memorable luau evening includes a lei greeting, Mai Tai with souvenir glass, all-you-can-eat buffet and entertainment. The local luau group *Pride of Polynesia* provides authentic island music and dance, featuring hula and fiery torch dancers. After the evening entertainment we will check into our hotel in San Diego.

Friday - AUGUST 14 (Day 2) Grab a coffee or juice and something light as our journey continues with *Seas the Day*. Our first stop is the legendary *94th Aero Squadron Restaurant* where we will enjoy a plentiful buffet within a living museum and cozy time capsule overlooking Montgomery-Gibbs Airport. Styled after a World War I French farmhouse, this warm and inviting spot surrounds you with history - stone fireplaces, dark wood beams, lush hanging plants, and walls brimming with military memorabilia and authentic aviation relics. Lunch will be enjoyed in an atmosphere that's as memorable as the meal itself. Next we'll set sail for a two-hour narrated cruise that shows off San Diego from its best angle - on the water. You'll glide past Navy ships, historic tall ships, North Island Naval Air Station, Point Loma Submarine Base and playful sea lions lounging in the sun. The route covers both the north and south ends of San Diego Bay, including a pass under the graceful span of the Coronado Bridge. Our spacious vessel offers three decks of indoor and outdoor seating, sweeping 360-degree views, restrooms, and a snack bar serving treats, sodas, beer and wine. With ocean breezes, stunning vistas, and countless photo opportunities, this is San Diego at its most spectacular. After our bay cruise we will head back to Arcadia.

Tour includes: Deluxe Motorcoach w/ water & snacks; Sunset Luau w/ buffet, premium seats and souvenir gift; (1) night at Legacy Resort and Spa; brunch buffet at 94th Aero Squadron; Bay Cruise & Curt Tucker as your guide.
