Aprons, Antiques & Americana *the Betty Crocker Tour*

Step into a day that feels warm, familiar, and wonderfully American. Aprons, Antiques & Americana: The Betty Crocker Tour is a feel-good Southern California experience filled with nostalgia, charm, and delightful discoveries designed to be savored, not rushed. The day begins with rare private access to the historic 1872 ranch where Agnes White Tizard lived, the woman who gave Betty Crocker her voice, personality, and warmth for generations of home cooks. While Betty Crocker wasn't a real person, her spirit was born here. Shady pepper trees, rolling ranchland, granite boulders, and vintage architecture create a setting that feels like stepping into a mid-century postcard - comfortable, creative, and deeply nostalgic. We'll enjoy a private guided tour of the home, followed by a fabulous hosted Italian buffet lunch on the estate. Next, enjoy time at Brick 'n Barn, located in the beautifully restored 150-year-old barn on the former Betty Crocker property. Open just one weekend each month, Brick n Barn is a beloved pop-up market known for its curated antiques, Americana, farmhouse décor, mid-century finds, handmade goods, baked treats, and welcoming community atmosphere. Browsing here feels less like shopping and more like visiting an old friend beneath the shade of the pepper trees. The day concludes at the unforgettable Deer Park Winery & Auto Museum, home to over 100 vintage automobiles, including one of the largest convertible collections in the world. Also on display are neon signs, radios, televisions, Coca-Cola memorabilia, and even an entire Barbie room. Guests may also enjoy optional wine tasting at this family-owned winery, one of the oldest in San Diego County. From kitchens and barns to convertibles and neon, this joyful, unhurried day celebrates classic American creativity, comfort, and charm ~ the kind of experience that leaves you smiling all the way home.
