On the next stop, your cultural lessons continue into the Quartier Latin, the intellectual and bohemian heart of Paris, known for its historic universities and lively streets. Then, stroll to the nearby *Île de la Cité*, the city's ancient core, where the majestic Notre Dame Cathedral\*\* stands – an 850-year-old Gothic masterpiece watching over the Seine. Afterward, a visit to Versailles wouldn't be complete without venturing beyond the palace, so take some time to explore the local market.\*\*\* This evening, experience Parisian nightlife during an optional dinner at the dynamic Paradis Latin\*\*\*\* for a champagne-flowing, can-can kicking, music-driven night at the cabaret. **The overall activity level of this tour is a level 4.** This means you're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and half or full day hikes are things you may enjoy) and 10,000 steps a day is normal for you. You can handle longer walking tours (more than 3 hours covering 3+ miles at a steady clip) and activities that involve traversing uneven terrain, steep slopes, standing for periods of time, and varying altitudes and temperatures. You don't mind being on the go with some early starts, late nights, and full days. You can handle altitudes of 9,000 feet or higher with little to no issue. This level is not appropriate for travelers who use wheelchairs, walkers, and other mobility assistance devices.

You will be travelling by metro throughout Paris for a majority of this tour and should be reasonably fit in order to get on and off this mode of transportation.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

\*On the rare occasion the Louvre Museum is not available, it will be replaced by another high-level Paris museum.

\*\*\*Local markets in France may change timing or day of the week pattern.

\*\*\*\*\*Due to high demand for the Eiffel Tower restaurant, your dining time can be as late as 9:00 p.m. The restaurant will give you access to level 1 of the Eiffel Tower. Be prepared for security lines before reaching the restaurant. The menu, crafted by a renowned chef, is high quality but offers no choices.

\*\*Notre-Dame does not require reservations for entry. Please note that guided visits inside are not permitted, and access is subject to the queue on the day. Depending on the available free time, guests may or may not be able to enter.

\*\*\*\*\*Normandy Optional Tour: If you choose this option, due to the long distances (approximately 360 miles / 579 km roundtrip), expect to start the day early in the morning and return late (approximately 12 hours from 8 a.m. to 8 p.m.).

\*\*\*Paradis Latin may be considered unsuitable for children - consult your Tour Manager.
