

Prepare for an out-of-this-world adventure as we visit the California Science Center for an exciting day of space exploration and discovery, fully guided by Curtis Tucker, affectionately known as "Mr. Los Angeles!" With his engaging storytelling, fascinating insights, and extensive knowledge of Southern California, Curtis will make this extraordinary day even more memorable!Our journey begins with a spectacular showing of Journey to Space 3D in the IMAX Theater.

Experience the wonders of space travel on a giant screen as this breathtaking film takes you beyond Earth, exploring NASA's remarkable achievements, the challenges of living and working in space, and the exciting future of human space exploration. With stunning 3D imagery, you'll feel as though you're traveling alongside the astronauts!

Next, enjoy timed entry to the new Space Shuttle Endeavour exhibit, where you'll have the extraordinary opportunity to see one of NASA's most celebrated spacecraft displayed in its impressive vertical launch configuration. Marvel at the magnificent Space Shuttle Endeavour, which completed 25 missions into space, and discover the incredible engineering, history, and achievements behind America's space shuttle program. This remarkable exhibit offers an unforgettable, up-close look at a true icon of space exploration!

Before your exciting space adventure, we'll head to Philippe's The Original, one of Los Angeles' most beloved and historic dining landmarks! Established in 1908, Philippe's is famous for its legendary French Dip sandwiches and old-fashioned charm. Step inside this iconic Los Angeles institution, where generations of locals and visitors have gathered to enjoy delicious sandwiches and a taste of the city's rich culinary history.
