GLASSWORKS TO GRAND PARLORS IN LOS ANGELES THURSDAY, APRIL 23, 2026

Immerse yourself in a day of art, craftsmanship, and old-world charm as we begin with a guided tour of the legendary Judson Studios, one of the oldest family-run stained-glass studios in the United States. Learn how their master artisans transform light, color, and glass into breathtaking works found in cathedrals, historic buildings, and modern installations around the world. You'll walk through their working studios, discover the creative process from sketch to kiln, and witness firsthand the innovation behind their century-old craft. Our journey continues with a guided tour of the enchanting Grier Musser Museum, a beautifully restored Victorian-era mansion filled with antiques, period furnishings, and rotating seasonal displays. Step into a bygone era as docents lead us through richly decorated rooms, ornate woodwork, and treasured collections that capture the elegance and lifestyle of early Los Angeles. This unforgettable outing blends art, architecture, and history into a captivating experience perfect for those who appreciate timeless beauty and cultural discovery.
