

Perched on a mountain top with a sweeping view all the way to the Pacific Ocean, the Ronald Reagan Library is one of California’s most beautiful and unique destinations. The West Coast Premier of AUSCHWITZ is our destination. This exhibition brings together more than 700 original artifacts of great historical and human value; objects that were direct witnesses of the horrors of Auschwitz and the Holocaust.

Most of the 700 objects have never been shown on the West Coast before and this is their only appearance. The selection of objects is from the Auschwitz-Birkenau State Museum as well as 20 other institutions. Objects like an actual box car, clothes, utensils, photographs and stories. Lunch on your own at the Bistro.
