

Retro Revival: A Journey Through, Vintage, and Timeless Treasures

Step into the past with Curt and explore the allure of antique, vintage, and retro treasures. This nostalgic journey allows you to discern the nuances between eras while visiting iconic landmarks and hidden gems. Our day begins in Pasadena, where we'll delve into the late 1940s charm of the former *Bullocks Pasadena building*. This architectural masterpiece, constructed in the Late Moderne style, was once touted as "one of the world's most modern buildings." Next, we'll travel back in time to the *Museum of Neon Art*, immersing ourselves in the nostalgic glow of neon signs from the 1950s. Experience the warmth and charm of this historic visual realm, a testament to Los Angeles' enduring love affair with neon. Marvel at vintage treasures from iconic LA establishments and learn about their fascinating history. After our neon adventure, it's time to satisfy your appetite with a delicious lunch at *Bike Shed Moto Co.* This motorcycle-inspired café, located in a massive 1945 warehouse, seamlessly blends vintage aesthetics. Our final stop takes us to the illustrious *William Andrews Clark Memorial Library*, a breathtaking Beaux Arts style building from 1926 that occupies an entire city block in LA's West Adams neighborhood. Inside, you'll be immersed in the world of literary history, surrounded by one of the most renowned collections of rare books and manuscripts.
