## CACHUMA LAKE NATURE CRUISE THURSDAY, JULY 27, 2023

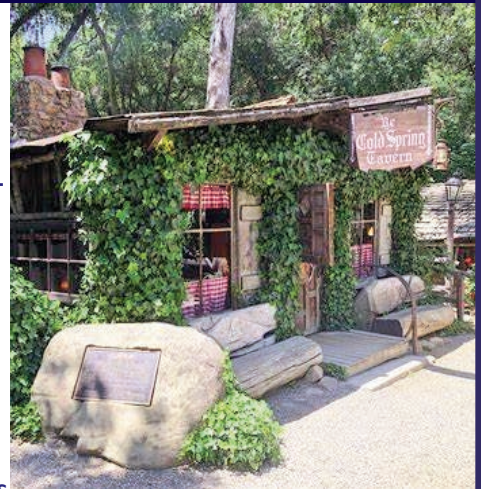

### CACHUMA LAKE NATURE CRUISE

Set amidst acres of wilderness flanked by the picturesque Santa Ynez and San Rafael Mountains located north of Santa Barbara, lies the glimmering Cachuma Lake! An expert naturalist will lead a relaxing lake cruise, to reveal the area's natural and cultural riches, onboard a passenger pontoon boat that is among one of the gentlest and safest water vessels; all seats are padded and offer excellent wildlife viewing. We may even spot a bald eagle that are common in this area this time of year. Enjoy time to browse the nature center, set in a picturesque ranch house. Exhibits and hands-on displays focus on the area's cultural and natural history including local plants, animals, birds and geology. *Suggested: hat, camera and jacket; the boat has shaded and unshaded areas for your comfort.*

### LUNCH ON YOUR OWN AT COLD SPRING TAVERN

After the cruise, we'll stop by the Cold Spring Tavern for lunch on your own at this former stage-coach stop on the San Marcos Pass near Santa Barbara. Here you can appreciate the true ambiance of the Old West because, as if by magic, time stands still. Savor traditional American fare including the tavern'samous tri-tip sandwiches, onion rings, chili and more.
