**A WARM HELLO FROM YOUR FRIENDS AT ARCADIA TRAVELERS!**

Our Website:

**The President's Corner:**  
Early summer greetings to you all....  
We are looking forward to a summer that includes opportunities to see one another and to get together with each other as the pandemic restrictions are loosened. Please check the Travelers website ([www.ArcadiaTravelers.org](http://www.ArcadiaTravelers.org)) regularly for the most up-to-date information about upcoming events and trips.  
The most exciting news I have to share with you is the reopening of the Travelers office at the Community Center for three days each week beginning the week of June 21<sup>st</sup>. Initially, you will be required to make an advance reservation prior to coming in but we're hoping this restriction will be lifted soon.  
For those of us that are vaccinated, Chris is planning some great day trips to at least one exciting destination each month starting in July. Meanwhile, Karen is working with our travel partners to line up a number of extended trips to some terrific destinations for the Fall and is working on still more trips for next year.  
Everyone is looking forward to the day when we will be allowed to resume our regular monthly meetings. So, stay in touch and remember to keep checking the website regularly.
